

13.9.19

13.9.2019 L.O. To increase my personal security online through recognising and creating strong and memorable passwords.

Perfect passwords checklist

My passwords:

- use letters and numbers
 - use a minimum of 8 characters
 - don't contain any personal information
 - use characters like brackets, &, or %
 - use a mixture of capitals and lower case letters
 - use a sentence or a line from a song instead of just one word
 - only use the first letters of that sentence
 - use different languages
 - will be easy for me to remember
-
- I have different passwords for my online accounts
 - I will change my passwords again within the next 6 months
