

**Stanhope Barrington C of E Primary School  
School Council**

**Date of Meeting: Tuesday 22<sup>nd</sup> October**

**Discussion Point**

We have discussed that the adventure trail has been condemned and removed from the field/playground area. We discussed the possibilities that we could have instead of the adventure trail. The children discussed a multi gym idea and gave a list of benefits to explain their suggestion. We decided as a group that we need to find out what the children in the rest of the school would prefer to ensure pupil voice is paramount.

Lawrence decided that the suggestions should be accessible for all children and ensure that health and safety has been considered.

David suggested having safety monitors, in response to Lawrence's suggestion and Tyla suggested an assembly which would be presented by the councillors in the near future when class responses have been collected and considered.

**Actions**

The children are to go back to their appointed classes to relay the discussion and information we discussed during our meeting. They have been given a feedback form for each class to bullet point and make notes of the opinions and suggestions of their fellow peers. Their deadline for this is Friday the 25<sup>th</sup> October and as a result of this a new meeting will be held after the half term break.
