

Dear Parent,

Every **Friday** we have a ‘Show and Tell’ session for the children to share special objects, toys or items of particular interest to them. This provides an excellent opportunity to share valuable information about your child’s experiences both at home and at school.

It’s also a great way to really encourage your child’s interest in a particular topic and a chance to think ‘outside the box’ a little. The main purpose of ‘Show and Tell’ is to build a child’s confidence and develop their communication skills.

I would like to remind parents to discourage their child from bringing toy weapons into school.

Thank you

Mrs C. Stidwell
