Dear Parent/Carer

Re: Breakfast Club Charges

It is with regret that I write to inform you that from 1st January 2020, we will have to increase the price we charge for one session at Breakfast Club. We currently charge £2.00 per session and this will be increasing to £2.50 per session.

The reason for this increase is that based on £2.00 per session, the Breakfast Club is currently running at a loss due to the increase in staffing costs and the price and amount of produce we need to purchase.

Our Breakfast Club is extremely popular and at times, we have in excess of 30 children. Our Supervisors are very creative and design lovely activities to keep the children engaged once they have eaten their breakfast.

We will always strive to give parents the opportunity to get to work and to provide childcare from 8am every morning in order to facilitate this.

Increasing charges to £2.50 per session will allow Breakfast Club to break-even and we will not make any profit at all.

Yours sincerely

Mr S Myers
