Dear Parent/Carer

Re: Re-opening of Schools
I am writing to you as a parent(s) of a child in the prioritised year groups (Nursery, Reception, Year 1 & Year 6) as identified by the government.

As you can imagine, the implications of extending our provision whilst ensuring the safety of our children, staff and families are immense. We are currently taking advice and thinking through how to manage these implications.

I am writing to ask for your initial thoughts as to whether or not you intend to send your children back to school on 1st June 2020 as suggested by the government.

At the moment there are no concrete plans which we can share with you, however, we are currently working through a range of risk assessments and other documentation and it would be extremely helpful for us to have some indication of the number of children we can expect to return in each year group.
Please note that the government guidelines have confirmed that there will be no fines for non-attendance during this period.

I appreciate that when our plans are published and shared with you over the coming weeks, your decision may change but if we could have an early indication as to whether you intend to send your child to school, this will be enormously helpful and will assist us greatly during this planning phase.
As always, our priority is the safety of our children, staff and families and we will fully support any decision you make.

Could you please telephone the school on (01388 528218) by 3pm on Friday 15th May 2020 so that we can collate all responses.

Yours sincerely

Mr S Myers
Head Teacher
