Is there money for you…

As the children return to school and additional costs come up have you checked if there is funding you may be able to access for you and your family?

Things have changed for many people during recent months and we want to make accessing support as easy as possible.

A quick benefit check with **Linda Pearson**, Rural Advice Worker can help you find out if there is support for you and your family.

The support available will vary depending on personal circumstances but can include accessing school related benefits such as free school meals, free milk, school uniforms and school transport costs.

The service is free and confidential and Linda can provide the service remotely through telephone contact.
