

# W/C 11/01/21 Seesaw Highlights Class 5

### History

Leo created a fantastic fact file on Ancient Greece. He then went on to creating an excellent poster about the Spartans!

## Science Cooper did some excellent research on Thomas Edison!

### Maths

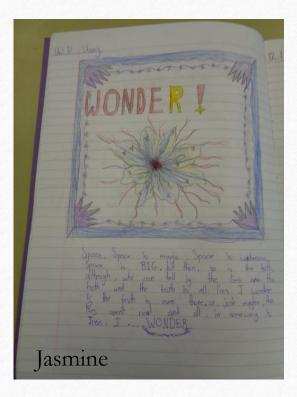

Annie has been working very hard to add, subtract and order numbers containing decimal points!

## Literacy Bethany and Jasmine designed a great front cover and blurb for our new class book 'Wonder'.

I wonder what it would be like to go up these. To see the story moon and sun.

Up there I wouldn't have one care it would be so much from.
