

# W/C 18.01.21 Seesaw Highlights.

---

Nursery

## Phonics

Ruby-Bec has produced some excellent CVC words this week. She has accessed the Phonics sessions and produced words to be proud of. Well done Ruby-Bec.

# Number

Darcy has been superb with her remote learning and always responds with such enthusiasm. This week Darcy has been ordering numbers from 0 – 10 independently.

## Topic

Freddie has been busy creating his own pair of binoculars. After completing the task, he went on a hunt to see wat animals he could find.

It was fantastic to see Freddie find baby lambs!

## Physical Development

For this week's self-help task the children have been challenged to make their bed independently on a morning. Layla has sent in a picture portraying her exceptional independence skills.

Brilliant Layla!
