## Science

Grace and Harley designed fantastic lunch boxes using a great choice of materials.

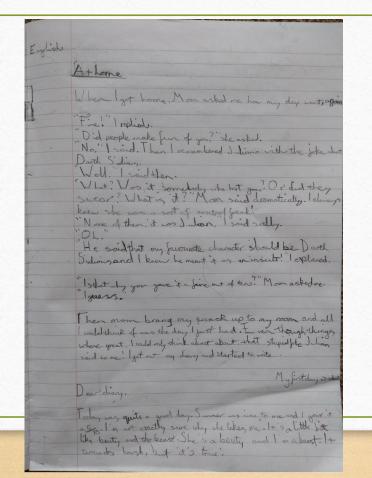

Harley

Grace

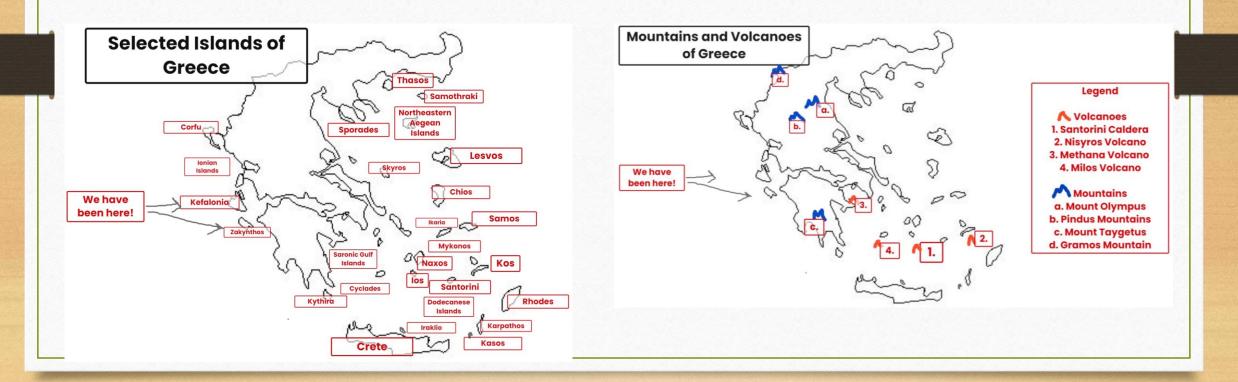

## Literacy

Malachi wrote a fantastic prediction of what might happen in the next part of our book, Wonder.

# Geography

David correctly labelled the Greek Islands and placed the Volcanoes and Mountains on to his maps!

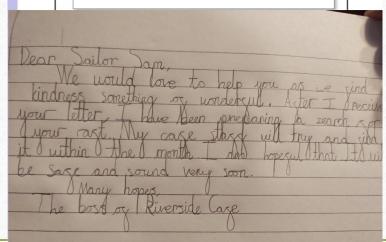

# Handwriting I am very pleased with how hard Harmony has been working on her handwriting, it is lovely!

### To the Riverside Cafe

### Dear Sir

I came to your cafe yesterday with a friend. We had been sailing our raft on the river and thought a cold drink would be good. We tied up the raft to the river bank and sat inside the cafe. After ten minutes, we left and found the raft had gone! We had tied it well and were sure it would be safe. I am very sad that we have lost our raft and hope you might be able to help us find it.

Yours faithfully Sailor Sam

### RE

Well done to everyone in the Diamond Learning zone for participating and joining in our Chinese Language Taster session!

Well done to everyone for working very hard over the past few weeks! I am very impressed with your attitude towards online learning and the work you have been submitting is amazing!
