Re: After School Club and Provision

As you know, our staff have all stepped up and provided After School Clubs every weekday night after school since September 2020 on a voluntary basis. Initially, we thought this would be a short-term solution but as the pandemic continued and we were hit with a further national lockdown in January 2021, we have endeavoured to continue with this provision. This has had a huge impact on the school team as they have given up this time when they would normally be doing other work such as marking, planning, preparation and assessment. As a result, the after-school clubs have put additional pressure on the team.

We are therefore delighted that with effect from Monday 17th May 2021, and in line with the government's next step on the road map, SCAMPS will be able to take over After School club provision again.

Due to the continued need for us to ensure our children's bubbles remain separate, SCAMPS will be running their After-School Clubs from the school hall rather than from their area which is too small to ensure separation.

If you would like to book your child a place in After School club with SCAMPS please telephone them directly on: 07920178952.

SCAMPS will be providing an exciting programme of activities each night from 3.10pm until 5.30pm. The cost will be £10 per child per session and this will include a substantial snack prepared and delivered under covid secure arrangements.

Collection at 5.30pm will be via the school yard (the same as it is now). To book a place or further information please contact Sam and the team in SCAMPS.

Please remember that ALL after school provision will be provided by SCAMPS from 17th May 2021.

Yours sincerely

Mrs D Cross
