Dear Parent/Carer

17th June 2021

Let's be proud of ourselves!

During the month of June we will be celebrating our uniqueness through a series of lessons which will follow age appropriate guidance within the RSE Curriculum for all Learning Zones. During the next two weeks we are also introducing the concept of being entrepreneurial and each Learning Zone will be creating a craft item to sell at a fair.

We feel that this is a great opportunity for us to celebrate difference, individuality and uniqueness. Treating every single person as an individual is at the centre of our culture and ethos in school and has been for many years.

With the introduction of the Relationships, Sex and Health Education (RSE) Curriculum in September 2021 and with the publication of Valuing All God's Children by the Church of England uniqueness is high on the agenda of all schools.

On Wednesday 30th June, children can come into school wearing something which they feel reflects who they are. We will also be holding a Covid-secure fair where each Learning Zone will have the opportunity to sell their craft creations for 50p per item. To support Pride month all funds raised will be used to buy new books on diversity for the school library to support the delivery of the RSE curriculum.

We are looking forward to this event and thank you in advance for your support.

Yours sincerely

Mrs D Cross
Head Teacher
