Dear Parent/Carer

14th December 2021

Re: Covid Testing Update

With effect from 14th December 2021 any adult or child aged 5-18 is 'strongly advised' to take daily lateral flow tests if they have been a close contact of someone with a positive Covid PCR test. This applies whether or not the variant is Omicron.

Your child can attend school if there is a positive PCR test in the household but only if they are showing a negative lateral flow test each day.

There are no further changes to the school's risk assessment following the government's update on Plan B.

Yours sincerely

Mrs D Cross
