Re: Clothes Recycling Collection Point

I am writing to let you know that we now have a Clothing Recycling Collection Point right outside of the school. It is positioned at the entrance to the staff car park and is accessible even when the school gates are locked.

You can recycle clothes and shoes in the collection point. When it is full, the company empty it and weigh the contents. Our school will then receive a payment based on the weight of clothing etc recycled.

This is a great way to recycle clothing, help to raise money for the school and help the environment.

We will be sending letters to our local neighbours and please feel free to spread the word and encourage everyone to use our recycling point because the more we recycle the more money we earn for the school.

Please continue to donate school uniform to our Preloved Uniform scheme. Preloved uniform can be found in St. Thomas' Church Hall on a Tuesday morning or outside the school weather permitting.

Many thanks for your help and support with this scheme.

Yours sincerely

Mrs D Cross
