

**STANHOPE  
BARRINGTON C OF E  
PRIMARY SCHOOL**

By The Shadow Leadership Team

# **WE ARE THE SHADOW LEADERSHIP TEAM!**

Hello Academy Councillors. We are the Shadow Leadership Team. You probably already know what we do, so we are going to introduce ourselves.

*Hi, my name is Xavier and I am a proud member of the Barrington Buddies.*

**Hello, my name is Rosie, I love sports and sharing my ideas with everyone in my learning zone.**

Hi, I'm Joey I am a member of the school council.

Hello, I am Jessica, I regularly attend our school's drama club (more on that later).

# DIAMOND LEARNING ZONE

- In Diamond we have been enjoying ICT lessons. In ICT we have been focusing on coding and making our own games.
- This term instead of history we have been doing research on main cities in the UK in geography.
- In PE we have been learning gymnastics. We've been doing routines with a partner of our choosing and a piece of apparatus. When the routines have been perfected each group will perform their routine in front of the class.

# EMERALD LEARNING ZONE

- In Emerald, they have been doing some beautiful artwork for War Week. The children had lots of fun using red and black paper to make pretty poppies.
- A rapper, called Kema Kay, came in to work with the children and do workshops for their music lessons.

## **Children's quotes:**

Jack Robson and Finley Hall- "We like doing history because it is fun to learn about ancient roman culture."

# RUBY LEARNING ZONE

- In Ruby they have been baking some delectable carrot cookies!
- Mrs Geraghty-Shewan (a teaching assistant in Ruby) takes out a phonics group weekly to help some of the children benefit in learning.

## Children's quotes:

Wesley Burton- "I enjoy Ruby a lot, we do many fun things such as arts and crafts."

Arran Johns- "I enjoy doing fact families in maths."

# SAPPHIRE LEARNING ZONE

- In Sapphire they have been doing work based on the book 'Ruby's worry.' They've been writing what some of their worries are to hopefully get it off their chest.
- Sapphire has a wonderful reading corner, where the children can relax and have some quiet time.

## **Children's Quotes**

Jessica Peadon- "I like the book corner in my learning zone."

Iliza Hall- "I love our learning zone because we do so many fun and cool things like reading interesting books."

# AMETHYST/OPAL

- In Amethyst and Opal they have a super cool sandpit, an outdoor area and many more amazing toys and things to play with!
- Amethyst and Opal also have a bug garden, where they can explore and expand their ideas.

## **Children quotes:**

Emma Burton- "I like to explore with my kind friends"

Ollie Coulson- "My favourite thing to learn is phonics"

# POWER PLAY

**MR. STOREY IS IN CHARGE OF THE OUTDOOR PLAY AREA. HE HAS WORKED WITH THE CHILDREN TO MAKE A MUD KITCHEN AND A FOOTBALL PITCH IS IN THE MAKING. THERE ARE MANY OTHER PLAY ZONES DOWN THE LINE AND ALL THE CHILDREN ARE VERY EXCITED. SOME OF THE OTHER PLAY ZONES INCLUDE: A MUSIC ZONE, CONSTRUCTION ZONE, CHILL-OUT ZONE, WATER ZONE AND MANY MORE EXCITING ZONES.**

# CLUBS

- We have a **Cooking Club** in which the pupils make delicious, yummy foods. Once the class is over you get to take the scrumptious food you've made home to your family to enjoy.
- Our school has a **Drama Club**. Here we do things like dramatic games and comedy sketches. It is an enjoyable experience for children of all ages.
- There is an **Ultimate Frisbee Club** where an instructor comes into school and teaches frisbee.
- We have an **Art & Design Club** where we make creative, unique art. We love to make incredible masterpieces for special occasions such as remembrance day.

# HOPE YOU ENJOYED
