Dear Parent/Carer

18th July 2022

Re: Response to weather warnings

It is anticipated that the temperatures could rise to close to 30 degrees both today and tomorrow and as such we are taking the following actions:

- Blinds are being closed to keep Learning Zones cool
- Ventilation is being maintained with doors and windows kept open to hopefully create a draft
- As always, children have access to the water coolers
- Gardening Club is cancelled on Monday
- Sapphire will have their picnic on the school premises rather than in Stanhope so that we can ensure shade and a constant supply of cold water. Children can also remain indoors if they would like to stay out of the heat
- Emerald and Diamond will still get their fish and chips for lunch but these will be brought back to school so that we can regulate how exposed the children are to the heat
- Children can have non-uniform day on Tuesday and Wednesday so they can wear cooler clothes

Please support us to keep your children safe in this heat by ensuring they have a sun hat, sun cream and a bottle for water.

Yours sincerely

Mrs D Cross
