Re: Amazing After School Clubs!

Following on from my letter prior to the summer holidays, please find attached the booking form for our amazing range of After School Clubs. Please note that these are in addition to our normal After School Childcare (£4 per child per session) which can be booked using the attached form or through the school office.

We have a huge choice of different clubs with more under discussion to be confirmed in the coming weeks. We have worked really hard to organise a full year's programme to help you to plan and organise further ahead and hope that you find this useful. However, this is a school and things change and sometimes we need to adapt so please note that there may be changes throughout the year in terms of new clubs cropping up or different people delivering them.

As we have some new and exciting clubs on offer I have given a short summary of what some of our new clubs will include below. Please note that we have frozen our prices at £6 per child per session at the current time but that our wraparound provision **MUST** break-even and cover costs otherwise we will be unable to continue to offer this provision in the future.

*Taekwondo starts on Wednesday 28th September and will run for 4 weeks until the end of this half term. This is a trial period and if the club is popular, Katey is happy to run Taekwondo again in Autumn Term 2 or even throughout the year if the demand is there.

*Stanhope Striders is a running club which will involve children leaving the school site but remaining local within the environs of Stanhope and they will be escorted and supervised by two members of staff.

*Cookery Club is now being offered to KS1 children for the first half term of each term followed by KS2 in the second half term. This is so that the older children can do more challenging activities including using more technical cooking equipment. Please note Cookery Club is now on a Thursday and not a Wednesday.

Zoe will be supported by Mrs Wilson who just loves everything Christmas!
