Dear Parent/Carer

2nd February 2023

Re: Safer Internet Day

This year Safer Internet Day is on Tuesday 7th February 2023 and we have a huge range of different activities planned in school. The theme this year is 'Want to talk about it?'

On Tuesday, the School Council will be delivering a whole school assembly to raise awareness and provide children with information about how they can keep themselves safe online and what to do if something goes wrong.

The different Learning Zones will be doing the following activities:

Amethyst	Will be playing 'Who can help me?' board game with online safety questions
Sapphire	Will be creating individual 'Like Ladders' to rank which online activities they enjoy
Ruby	Will be creating information posters about how to act appropriately if you encounter something you shouldn't whilst online and how to avoid this happening.
Emerald	Will be conducting surveys and creating graphs for KS2 children's preferences in school about online activity
Diamond	Will be creating a timeline for where they think different landmarks in accessing things online should happen.

Information about how to keep themselves safe whilst online will be available on our Kids Zone section of the website.

Information for parents about online safety will also be available on our website.

Yours sincerely

Mrs D Cross
