Dear Parent/Carer

2nd March 2023

Re: Increase in cost of school dinners

With effect from Monday 27th February 2023, the cost of a school dinner was increased to £2.41.

As you know, the cost had only just been increased from £2.20 to £2.25 and this increase was implemented by school on Monday 27th February 2023.

We are extremely conscious of the current financial pressures on parents and families at the current time and therefore, rather than increase the cost of school dinners with immediate effect, we will be implementing the new price on Monday 17th April 2023.

Therefore, from Monday 17th April the cost of a school dinner will be £2.41 per meal. If you pay weekly the cost will be £12.05 per week and if you pay half termly the cost will be £67.48.

Yours sincerely

Mrs D Cross
