### **Re: Maintenance Work over Summer holidays**

I am writing to update you on some work we have had carried out over the summer break. I am sure some of you will have noticed the extensive scaffolding surrounding the school in the first few weeks of the holiday.

During the summer we had extensive work carried out on our roof to address the leaks and to try to extend the life of the roof until we can secure capital funding for a full new roof. This work cost just over £11,000 which was fully funded by the MAT. This work is a temporary fix in order to reduce the leaks and stop further damage occurring within the structure of the building.

In addition, we have had various smaller maintenance tasks carried out to address minor issues such as the replacement of the surround for the sandpit in the Early Years yard and also some minor works carried out in the KS1 cloakroom.

Yours sincerely

*Mrs D Cross*
