Dear Parent/Carer

17th October 2023

Re: Implications for Diamond Learning Zone

We are moving the Diamond Learning Zone into the Library on Friday 20th October 2023 and with effect from Monday 23rd October 2023 they will be based in the library until further notice. Diamond are moving into the library because they are the smallest class with only 22 children. Therefore, we can comfortably fit the desks, chairs and necessary resources into this location.

Implications are as follows:

- Children in Diamond should enter and leave via the fire doors next to the Ruby Learning Zone with effect from Monday 23rd October until further notice
- There will be no cloakrooms available so a coat rail with coat hangers will be available in the school hall for children to use
- Please ensure your child does NOT bring a bag to school with them except for their packed lunch
- They should come to school on PE days dressed in PE kit as they normally do
- Fidget toys etc should only be brought into school if this is detailed in your child's School Support Plan
- Children in KS2 will continue to split for maths and science in their year group classes
- PE lessons are unaffected and will continue as normal
- Limited library books will be available in the school hall
- A mobile whiteboard and screen have been organised to support teaching and learning whilst they remain in the library

Once again, thank you for bearing with us during this difficult time. Please be assured that every effort is being made to ensure minimal impact on teaching and learning across the school.

Yours sincerely

Mrs D Cross

Mrs D Cross
