Re: Remedial work in Amethyst

As a first step towards addressing our problems with the heating system, a remedial fix will be carried out in the Amethyst Learning Zone on Thursday and Friday to address the immediate issue of the leaking heating pipe.

As such the children will be taught in the Pearl Learning Zone instead as Amethyst will be totally closed off.

Children should be dropped off and collected from the Amethyst Learning Zone entrance as normal, the children will hang up their coats and bags and then will be moved into the Pearl Learning Zone for the rest of the day.

It is anticipated that this section of work will be completed by the end of Friday but if the children are required to move again for safety reasons, they will be moved to the Pearl Learning Zone as required.

Mr Storey will ensure that the children are prepared for the move but the children often work in groups in the Pearl Learning Zone and therefore this will be a familiar environment for them.

Yours sincerely

Mrs D Cross
