

Under 18s Photography and Filming Consent Form

As part of our work at UK Parliament, we would like to film and take photographs during the **'UK Parliament Week'**, and this may include your image. This is your **personal data**, so we need to check that you are happy for us to use this.

We will use the images we collect to promote this event and the work of UK Parliament in general. The images may appear in printed leaflets and posters, but we may also put the images on our website or social media, which can be viewed all around the world.

If you are worried about this, it's important that you let us know. Our staff will be happy to discuss how you can control the use of your personal data with you or your parent, guardian or carer.

If you want us to stop using your image (withdrawing your consent), you can do this at any time by letting us know. We will try and help, but please understand that it may be difficult or impossible for us to remove your image completely from printed material, or from electronic sources such as social media. More information about how we use your personal data and your rights can be found in the privacy notice on our website here: <https://www.parliament.uk/site-information/data-protection/data-protection-and-privacy-policy/>

Once you are sure you are happy to have your picture taken or be filmed, please let us know by filling in the box below, then ask a parent, guardian or carer to sign to confirm.

Consent information:
