Re: Individual Photographs

I am writing to remind everyone that we have had to change the date of the individual photos due to the ongoing building work in school. As such, the **photographs will be taken on Thursday 23rd November 2023.**

Unfortunately, there was no availability for a morning session and therefore the photographs will be taken in the afternoon. I appreciate that quite a few of our children will be coming into school in their PE kits on a Thursday but that you won't want them photographed in their PE kits.

Can you please send them to school dressed in their PE kits ready for their morning lessons but they should bring their normal school uniform to change into if you would like them to. We will then ensure that the children have time to change after lunch ready for their photos to be taken.

We are using the same company as last year (Phototronics) who have assured us that the photographs will be ready before the Christmas holidays and will make fantastic Christmas presents for family and friends.

Please note that the school receives a percentage of the total spent on the school photographs from Phototronics and so this is a great way to help to raise money for the school too!

Yours sincerely

Mrs D Cross
