Re: Successful Grant Application

I am delighted to confirm that we came second in the Tesco's vote for projects in their Bishop Auckland store. As a result, we have been awarded a grant of £1,000 to spend on developing our library. The grant was submitted and secured by Mrs Kathleen Norman our Academy Councillor who leads on literacy across the school and we are extremely grateful to her for all of her work and support.

Thank you also to everyone who voted for our project!

As you know, the current building work means that our library is currently being used as a classroom for the Diamond Learning Zone but once the work is complete and we can move the library back into its permanent location, we will look to revamp and improve it.

We anticipate spending the grant funding in the new year and will of course involve our children in the choice of books and resources for the library. This is very exciting and a huge boost for our school.

Once again, thank you so much for your support.

Yours sincerely

Mrs D Cross
