Re: Grant for Wraparound Care

As you may know, last year we secured a large grant from the Weardale Area Action Partnership which allowed us to extend our Breakfast Club from 8am to 7.30am and to revamp the provision entirely. This grant also allowed us to invest in our After-School Club.

We used this grant to fund staffing, resource breakfast/after school provisions and buy new games and resources to allow us to offer a more engaging range of activities each morning/after school. We also used this grant to fund the Sports Coach who provides coaching on a Thursday and Friday morning.

We also introduced a self-service breakfast with a new menu with a wide range of choice for our children. The aim of this was to allow children to build their independence skills by making their own breakfast (under supervision)

The grant has now ended and we are required to complete a monitoring form to demonstrate the impact on our children and families. I will be carrying out a pupil voice discussion with our children over the next few days. It would be really useful and may help to support further grant applications if you could take a few minutes to complete and return the enclosed questionnaire by Monday 20th May 2024. If your child only attends either Breakfast Club or After School Childcare please ignore those questions. If they do not access either provision then please ignore this letter.

Many thanks.

Yours sincerely

Mrs D Cross
