Dear Parent/Carer

18th November 2024

Re: Stanhope Christmas Lights Switch On

As you are probably aware, the Stanhope Christmas Lights are being switched on on Friday 29th November 2024. Last year our school supported this event with the children making lanterns etc and holding a Procession of Light from the school yard down to the Market Place. This was hugely popular and extremely well supported by parents & carers with hundreds of us all walking through Stanhope – what a spectacular sight.

We would like to support the event again this year. The children will all make a light source of some description in school and we are asking parents & carers to return to school for 5pm on Friday 29th November. We will all meet on the school yard and then begin our Procession of Light down to the main event in Stanhope.

The official switching of the Christmas lights will be at 6pm and one of our children will have the honour of switching them on on behalf of the school.

This is a super special night and I really look forward to seeing everyone there.

Yours sincerely

Mrs D Cross
