Vision Statement:

At the heart of our vision is our commitment to ensure all of our schools are places where children and young people develop and thrive academically, socially, culturally and spiritually. The drive for excellence and effectiveness in our schools is paramount, but not merely because the Government says so. The enabling of every child to flourish in their potential as a child of God is a sign and expression of the Kingdom and is at the heart of the Trust's distinctive mission. This vision statement will be taken into account in all of our policies and their implementation.

We will not discriminate against, harass or victimise any staff member, pupil, prospective pupil, or other member of the school community because of their:

- Sex.

- Race.
- Disability.
- Religion or belief.
- Sexual orientation.

We aim to promote pupils' spiritual, moral, social and cultural development, with special emphasis on promoting equality and diversity, and eradicating prejudicial incidents for pupils and staff. Our Trust is committed to not only eliminating discrimination, but also increasing understanding and appreciation for diversity.

Aims to eradicate discrimination

We believe that a greater level of success from pupils and staff across the Trust can be achieved by realising the uniqueness of individuals. Creating an inclusive environment where individuals feel confident and at ease is a commitment of the Trust. This environment will be achieved in line with our vision and by:

- Being respectful.
- Always treating all members (including children, staff, consultants and visitors) of the Trust wide community fairly.
- Developing an understanding of diversity and inclusion and the benefits it can have.

- Adopting an inclusive attitude and ensuring that each school community understands what inclusive behaviour looks like in the school and how this aligns with the school's values.
- Ensuring each school adopts an inclusive curriculum that is accessible to all.
- Encouraging compassion and open-mindedness.
- Challenging bias and calling it out in order to move the conversation forward.

Dealing with prejudice and celebrating diversity

We do not tolerate any form of prejudice-related incident. Whether direct or indirect, we expect all schools within the Trust to treat discrimination against any members of DNDLT schools with the utmost severity. When an incident is reported, our Trust is committed to ensuring, in partnership with the Head Teacher and Local Academy Council, that appropriate action is taken and a resolution is put into place which is both fair and firm.

We expect our schools to ensure our pupils are taught to be:

- Understanding of others.
- Celebratory of diversity.
- Eager to reach their full potential.
- Inclusive.
- Aware of what constitutes discriminatory behaviour.

In line with the Equal Opportunities Policy in the Staff Handbook, the Trust's employees will not:

- Discriminate against any member of the school community.
- Treat other members of the school community unfairly.

In line with the Equal Opportunities Policy in the Staff Handbook, The Trust's employees will:
