Dear Parent/Carer

14<sup>th</sup> July 2025

### Re: KS2 Statutory Data Results

I am delighted with the results our children have achieved in the KS2 SATs (Year 6) and in the Year 4 Multiplication Check. The detailed results and outcomes from this academic year can be found on our website – select Key Information and then Predictions/Results from the drop down menu.

In summary 80% of our children scored over 20 (out of 25) on the Year 4 multiplication check and 34% scored full marks of 25 out of 25.

In Year 6 we achieved 63% working at age related expectations in writing; 75% working at or above age related expectations in reading and 63% working at or above age related expectations in maths.

Year 6 SATs results are achieved through the hard work and dedication of the whole team impacting on your child's education right from Early Years, through the years right up to Year 6. The children have worked extremely hard and I am super proud of every single one of them.

Yours sincerely

*Mrs D Cross*
