Re: Gardening After School Club

Our After School Clubs for Autumn Term 2 will be issued shortly but I am writing specifically to ask for your help and support to prepare our raised beds on the back field at the rear of school for the Spring.

Beth from OASES is coming in for two sessions on Thursday 19th and Thursday 26th of November to clear the beds and blanket them in cardboard to prepare them for planting in the Spring.

We thought this would be a lovely opportunity for children and adults to work together on this project and hopefully join a Gardening Club in the Spring Term to see the results of their efforts.

If you, your child and grandparent or other family member can spare just two hours over two weeks to help us with this project I would be very grateful.

If you have an older sibling they can attend too or can attend After School Childcare free of charge.

If you are able to help please let the school office know. If we get enough volunteers we might also be able to prepare the raised beds on the school yard too!

Yours sincerely

Mrs D Cross
