Re: KS2 Performance Costumes

Our Christmas show is quickly approaching, and we are writing to tell you about costumes your child will need. Please see the table overleaf to see what your child might need.

You may be aware that thanks to your amazing donations, we have been able to get most of the items needed for costumes and props, so we have been able to reduce the specific items your child may need and hopefully save you a penny or two.

We do however need some generic items for some of the characters, but we do not want anyone to have to buy anything specifically for the performance. If you are struggling to source any items, please ask us as it may be that another child or family is able to loan the costume for the show.

We need all costumes in school by Monday 15th December in a named carrier bag. We will then keep these in school until Friday 19th December.

Yours sincerely
