Re: Parent/Carer Survey Results

I am writing to say a huge thank you to everyone who took part in our Parent/Carer Survey this term. We are over the moon with the fantastic results. Working in education is increasingly challenging and it really gives us as a team a real boost to know that our hard work impacts positively on our children and is appreciated by our school community.

The results are shown in the table below:

With only 50% of respondents feeling that they are well-informed about what their child is learning, this is something that the Senior Leadership Team will be focussing on in the New Year and I will share our plans with you after the Christmas holidays.

Once again, thank you for taking the time to take part in our annual parent/carers survey.

Yours sincerely
