Re: Water Leak in School

I am writing to inform you that over the weekend a pipe failed causing some damage to school. The area affected is the 2 year old provision and the Pearl Learning Zone. Due to the damage to the walls and ceiling we will have to close those areas whilst we undertake some repairs. In the meantime, children will be accessing the Opal Learning Zone.

In addition, we had a problem with the temporary boiler over the weekend but I am pleased to confirm that this has now been resolved and the heating is back on.

Although it is extremely disappointing that we have had yet another flood, we are confident this is less significant than the challenges we have faced before. As you know, our staff and children are extremely resilient, and we hope to be back to normal as soon as possible

Yours sincerely

Mrs D Cross
