22 April 2026

Dear Parents and Carers

### Friends of Stanhope Barrington Group

We are absolutely thrilled to share some wonderful news with you! We are currently in the planning stage of using the £10,000 "Happy by Nature" grant to enhance our outdoor area. Our vision is to create a vibrant and engaging outdoor environment that benefits every child, extending improvements not just to the EYFS grounds but to all our school grounds. We are excited to have consultants and architects coming into school to collaborate with the children on this vision, and we would love to hear your thoughts and ideas as well.

In addition to these exciting developments, we are also delighted to announce our plans to reinstate the "Friends of Stanhope Barrington" group. We have already received interest from several families eager to help us bring this initiative back to life!

To get things started, we warmly invite you to join us for an **informal meeting at the Social Club on Thursday 30th April at 6pm**. This will be a fantastic opportunity to brainstorm fundraising ideas, share your views, and discuss how we can best utilise the funds raised together. We truly value your thoughts and opinions and hope to see you there, whether you wish to be involved in a big or small way, along with myself, Mrs Green, and Sofia!

Warm regards,

**Mrs Quiney, Mrs Green and Sofia**
