Dear Parent/Carer

27th April 2026

Re: Roof Replacement (Phase Two)

You may remember that during the last summer holidays we had Phase One of the Roof Replacement scheme which gave us a new roof above the school hall.

The initial plan was for Phase Two to commence this summer holiday. Phase Two will give us a new roof above the long run of learning zones from Diamond down the length of the building to Sapphire. Having had the pre-start meeting on site last week, it has now been agreed for Phase Two to begin during the May half term holiday and to continue throughout summer term 2 and into the summer holiday.

Phase Two is a full 6-week project and if there were any delay (for example due to bad weather) this would put the scheme behind schedule and it would not be ready for September. We therefore took the decision to begin earlier than planned to ensure the school is ready to open for the new academic year.

As work will be taking place on the roof above the learning zones, it may be necessary to temporarily move some classes whilst the contractors are working above the classrooms to avoid noise disturbance during teaching time. If classes do need to move this will be communicated to you nearer the time.

Yours sincerely

Mrs D Cross
