Dear Emerald and Diamond Parent/Carer

1st June 2026

Re: Emerald and Diamond visit to Centre for Life

We are delighted to offer our Emerald and Diamond pupils the opportunity to take part in an exciting space-themed educational programme in partnership with the Centre for Life in Newcastle. As part of this project, children have enjoyed a visit from an inflatable planetarium in school, taken part in an online session with a real scientist, and will finish the programme with a visit to the Centre for Life Science Centre.

The final visit will take place on Friday 26th June 2026. During the day, children will participate in a Destination Space workshop and have the opportunity to explore the interactive exhibits at the Centre for Life. The visit will support learning in science and help develop children's understanding of space exploration, astronomy and STEM careers.

The visit has been generously funded through the Space Explorers Programme and the EDINA Trust, meaning there will be no cost to families for admission or travel to the Centre for Life.

This promises to be a fantastic opportunity for children to engage with science in a hands-on and inspiring way.

Please complete and return the consent form by Friday 19th June 2026.
